The Entirely Merciful,
The Especially Merciful

Text / Mats

1. those are dealing with recurring
illness, whether prescription
drug induced or other than
that (from the halal in
shaa Allah), etc

it is advisable that
one makes their house into
a healing centre

2. Regardless of ones religion
(of course Islam is the only
religion accepted by Allah,
for those who wish to pay heed),

I'd highly recommend
& (especially in the western world)
that one turns to
